

LOGOS HOLDINGS to Acquire SAKAI CONSTRUCTION INC.

We announced today that LOGOS HOLDINGS INC. (“LOGOS HD”), which is owned by Endeavour United II Investment Business Limited Partnership, has acquired SAKAI CONSTRUCTION INC. (“Sakai”) on December 26, 2024.

Sakai was established in 1948 as a public civil engineering and construction company, and launched its housing business in 2006. With its mission of “Providing sophisticatedly designed homes at reasonable prices”, Sakai has developed a high-design custom-built homes, represented by “Detail Home”, and became one of the top-tier house builders with its ample construction track records and high recognition in Niigata Prefecture.

LOGOS HD, with the philosophy of “Creating Japanese home building”, aims to become “Japan’s No.1 alliance corporation utilizing regionally unique brands and know-how” by acquiring the local companies nationwide, and by creating synergy among the group companies. LOGOS HD believes that utilizing its digital marketing, DX operations, procurement and human resource development capabilities, and Sakai’s design capabilities will lead increasing our presence in Niigata and strengthening of the housing business of the entire group.

Respecting the management policies of both companies, we keep supporting the further development of their business foundations, and contributing to their growth by planning and implementing growth strategies with the companies.
