## Acquisition of Nissin Food by Endeavour United

We announced today that Endeavour United III Investment Business Limited Partnership, a fund managed by Endeavour United Co., Ltd. (“EU”), has acquired Nissin Food Co., Ltd. (“Nissin Food”) on December 26, 2025.

Nissin Food is a wholesale distributor of frozen and refrigerated foods, operating primarily in Kyoto and Osaka Prefectures. Since its establishment at the Kyoto City Central Wholesale Market in 1973, Nissin Food has achieved steady business growth by playing an essential role in the region’s “food infrastructure” in the Keihan area through its broad product portfolio, prompt and reliable delivery, and customer-focused services deeply rooted in the local community.

We will contribute to the further enhancement of Nissin Food’s corporate value by respecting the management philosophy cultivated by the company, supporting the strengthening of its management foundation, and formulating and executing growth strategies in close collaboration with its management team and employees.
