## **Acquisition of KOIKE by Endeavour United**

We announced today that Endeavour United III Investment Business Limited Partnership, a fund managed by Endeavour United Co., Ltd. (“EU”), has acquired KOIKE CO.,LTD. (“KOIKE”) on April 17, 2026.

KOIKE is a leading manufacturer of SAW wafers, which are used as the material substrate for electronic devices used in communication equipment such as smartphones to extract specific radio frequencies. With major electronic device manufacturers as its core customers, KOIKE has built a strong business foundation and holds the world’s leading share in the SAW wafer market.

We aim to enhance KOIKE’s corporate value by respecting the company’s established management philosophy, supporting the continued strengthening of its management foundation, and working closely with its management team and employees to formulate and execute growth strategies.
